### Does God Attend First Congregational Church of St. Johns? Do you? The Third in a Series of Articles on the Worth Ship (Worship) of God

Attending a worship service is about connecting with God. It does not matter how tuneful the hymn singing, how well composed are the prayers, how stunning the choir, how effectively read is the scripture, how sublime the music, or how relevant the message. What matters is personal interaction with God.

How important is worship to God? Throughout both Old and New Testaments worship is clearly the most important thing God's people can do. It is their first and ultimate calling. Abel is worshiping God by the fourth chapter of Genesis. God instructed Moses to ask Pharaoh to let his people go just so they could worship him (Exodus 4:22-23). The first commandment God issued to the children of Israel in preparation for entering the Promised Land dealt with worship: *"I am the Lord your God, who brought you out of Egypt, out of the land of slavery. You shall have no other gods before me."* (Deut. 5:6-7). When some of Jesus' disciples question why Jesus should allow himself to be anointed with costly oils that could have been sold to benefit the poor, Jesus responds, *"Why are you bothering this woman? She has done a beautiful thing to me. The poor you will always have with you, but you will not always have me."* (Matt. 26:10-11). Instructing the early church, Peter tells of God's work; *"...you also, like living stones, are being built into a spiritual house to be a holy priesthood, offering spiritual sacrifices acceptable to God through Jesus Christ...."* (1 Pet. 2:5). Further along in the same letter he expands on the point; *"...you are a chosen people, a royal priesthood, a holy nation, a people belonging to God that you may declare the praises of him who called you out of darkness into his wonderful light."* (1 Pet. 2:9). The Book of Revelation describes the heavens as a place of glorious worship of God.

How important is worship to you? Worship is your spiritual breath. Worship is not on the Christian's "to do" list; it heads and defines the list.

David is a good example of a worshipper of God. He came to worship wholeheartedly, passionately and lavishly. In Psalm 27:4 he expresses the heart and desire of a real worshipper

*One thing I ask of the Lord,  
This is what I seek:  
That I may dwell in the house of the Lord  
All the days of my life,  
To gaze upon the beauty of the Lord  
And to seek him in his temple.*

No wonder the scriptures call David, *"A man after God's own heart"* (1 Sam. 13:14). He comes to God with total focus on God.

Jesus said, *"Love the Lord your God with all your heart and with all your soul and with all your mind."* (Matt 22:37). He said it as the greatest commandment, the foundation of the entire Christian life. Jesus knew and taught God that desires our worship above anything else. It should be number one on each of our agendas.

### MISSION STATEMENT

We are a church open to all.  
 As modern day pilgrims we  
 consider  
 it our privilege and committed  
 responsibility to:  
**CELEBRATE** the glory of God  
 through worship, service and  
 stewardship  
**NURTURE** our relationships with  
 Christian love and truth; and  
**SERVE** others in our daily lives,  
 individually and collectively  
 as Christ's people.

**Community Resource Volunteers**  
**Individualized Transportation Services**

CRV has a goal to identify persons willing and able to drive a CATS bus and then they will be better able to serve the “frail and disabled public” in the future as soon a drivers are available.

**We are seeking volunteer drivers** to provide New Freedom special door to door transportation services for approved frail and/or disabled passengers on an individual(s) basis.

This transportation service will use **Care A Vans** as a new individualized transportation option for “*frail and disabled riders*”. (This only requires a chauffeurs license for drivers.)

While the funding for the vehicles and operation cost are the responsibility of Clinton Area Transit System services, it requires the Clinton County Community to provide volunteer drivers as their match to secure the outside funds.

The ideal driver candidate will be persons who have a desire to help others and are comfortable working with persons with disabilities.

Volunteer Drivers will need:

- a chauffeur license / 0-2 two points on present license.
- a commercial driver’s physical (not a CDL required for bus drivers)
- a drug/alcohol tests

Clinton Area Transit System will provide/pay for:

- Training and a Semi-annual driver trainer ride-along
- Bi-annual physical exam, chauffeur license, random drug/alcohol tests
- Provide round trip mileage reimbursement from your home to Transit Office

For further information contact Bill Richards at 1-517-331-4620 (cell) or 224-4182 (home).

**“HERE COMES THE SUN”**

Renewable energy is energy that comes from natural resources . The sun is one natural resource that produces renewable energy. Every day I need to be renewed just to tackle what life throws my way and Spring Break is just around the corner, so I can recharge for the end of the school year. How long has it been since you’ve been recharged in the sun on a vacation? A week? A month? A year? Longer?

More importantly, when is the last time you really took some time off from the daily grind to think about who you are, where you are going, and where you are in your walk with Christ? For adults and students it’s tough to slow down and think about these things. In our fast-paced world, it seems like everyone is passing us by. We may even fear that taking a quick “pit stop” will cause us to fall behind or lose the race. But even an Indy 500 or NASCAR driver needs to take multiple pit stops to win the race. They renew their tires, refuel, change brake pads, tighten up their nuts and bolts, and make adjustments. All of us need time to take a pit stop and re-energize.

It can be scary and uncomfortable when we make a pilgrimage; however, I love being out of my comfort zone from time to time. I’ve gone skydiving twice and love traveling. I even love the journey I take spiritually at biblical conferences like The Women of Faith and the Win Some Women conference at Mackinaw this last year. Taking the time to really walk with Christ may mean a mission trip (like our Peru adventurers), being in a strange and different new land. Some call this a vacation. When I think of all the work that happens in glorifying the Father and all the emotional journeys the heart takes at conferences I have been to, I would call this a vacation in the Son. WE ALL need to re-fuel and re-charge in the Son, and what wears us down as adults is similar to what wears our kids down.

Dan Brown, HOPE president, says “It’s impossible to finish if you do not take pit stops from your daily race to spend time in prayer and worship and have a relationship with God... This year’s NAPF conference gives our students the unique opportunity to take a 4-day “pit stop” from their daily race! They’ll be able to recharge their spiritual batteries, build up their strength against bumps in the road, learn ways to slow down and reflect, and get directions to continue their walk with Christ.” This year we are traveling to Arizona State University - Tempe. I’m hoping we will not only recharge in the sun but also in THE SON.

A place, time and friends, with which to share their faith, the National Association of Congregational Christian Churches (NAPF) conference helps students get reconnected with God in a supportive, fun-filled environment. Meeting annually in a different location around the country, this conference has various themes exploring scripture and helping youth apply it to their own lives. Students experience great Christian music, fellowship with other youth from all over the country, fabulous games and mission opportunities. We will be in large and small group sessions with a speaker . In NAPF these are led by youth leaders from Congregational Churches from around the country. It’s a great place for youth to promote, encourage, and nurture Christian Fellowship. Our youth may bring all they’ve learned and experienced back to strengthen our church and the lives of those around them.

As a youth leader, we sincerely thank you for supporting our youth. Whether it is monetary through pizza sales or supporting us emotionally with your prayers, we are very grateful for a church family. We are excited to reflect under the sun, in the Son, and on the Son.

***Respectfully Submitted, Melanie Lounds***

### Where Will the Money Come From?

The Building and Grounds Ministry Team is moving ahead with the remodeling work on the bell tower. No major work has been done on this part of the church building since it was built. So this is going to be an expensive project; probably around \$100,000. Where will the money come from?

The church has the money. It was given, for just such a project, in a bequest. Without the bequest we would not have begun the project. This bequest money can only be used for this kind of special work. It cannot be used for the church's regular expenses. That was part of the agreement in receiving the bequest.

The "Where will the money come from" question is better asked concerning the church's regular operating expenses. Giving has not kept up with expenses. The expenses cannot, without making major changes in the life of the church, be further cut. They have been already cut. The church budget has been lean for several years. A lean budget is good stewardship. A lean budget assures that the money given to the church is being well used in the ministry of the church.

Since the gap between income and outflow cannot, reasonably, be closed by cutting expenses, the "Where will the money come from" question is put to you. Will you increase your giving? Are you giving what you can?

Without your increased giving the church can do major building projects; they are already paid for. Without your increased giving the church cannot continue its present ministry. Please consult with God about increasing your giving.
